Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**Review report to
THE BOARD OF DIRECTORS OF AVON MERCANTILE LIMITED**

Re: Limited Review Report of the Unaudited Financial Results for the quarter ended 30 September 2020 and year to date from 1 April 2020 to 30 September 2020.

Dear Sir,

1. We have reviewed the accompanying Statement of Unaudited Financial Results of **Avon Mercantile Limited** ("the Company"), for the quarter ended 30 September 2020 and year to date from 01 April 2020 to 30 September 2020 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended (the 'Listing Regulations').
2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. A total amount of ₹ 6,228.64 lakhs on account of loan receivables (including interest outstanding thereon) is outstanding as at 30 September, 2020. Based on explanations and information provided by management, ₹ 2,800.09 lakhs (including interest outstanding thereon) have been outstanding unsettled/unadjusted for significantly long period of time. The management, based on internal assessments and evaluations, have represented that these outstanding loan receivables are recoverable and that no accrual for diminution in value of loan receivable is necessary as at 30 September, 2020. Further, management has represented that, they are seriously undertaking all steps to recover/adjust these amounts at the earliest. Pending the above, we are currently unable to ascertain whether these long overdue outstanding loan receivables are fully recoverable. Accordingly, we are unable to ascertain the impact, if any, on the statement of assets and liabilities that may arise in case any of these remaining loan receivables are subsequently determined to be doubtful of recovery.

5. Based on our review conducted as stated in paragraph 3 above, except para 4 above, nothing has come to our attention that causes us to believe that the accompanying statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
