INDEPENDENT AUDITOR'S REVIEW REPORT

To,
The Board of Directors,
Avon Mercantile Limited
Smart Bharat Mall, Upper Basement,
Plot No. 1-2, Sector-25A,
Noida - 201301

Dear Sirs,

- 1. We have reviewed the accompanying statement of un-audited financial results of Avon Mercantile Limited for the quarter and nine month period ended 31st December, 2022 ("the statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended (the "Listing Regulations").
- 2. This statement is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" (Ind AS 34), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
- 3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
- 4. A total gross amount of Rs.7998.51 lakhs on account of loan receivables (including interest outstanding thereon) is outstanding as at 31st December, 2022. Based on explanations and information provided by management, Rs.3218.76 Lakhs (including interest outstanding thereon) have been outstanding unsettled/unadjusted for significantly long period of time. The management, based on internal assessments and evaluations, have represented that these outstanding loan receivables are recoverable and that no accrual for diminution in value of loan receivables is necessary as of 31st December, 2022. However, the

management has provided Rs. 320.94 lakhs as expected credit loss against these outstanding loan receivables. Further, management had represented that, they are seriously undertaking all steps to recover/adjust these amounts at the earliest. Pending the above, we are currently unable to ascertain whether these long overdue outstanding loan receivables are fully recoverable. Accordingly, we are unable to ascertain the impact, if any, on the statement that may arise in case any of these remaining loan receivables are subsequently determined to be doubtful of recovery.

5. Based on our review conducted as above except para 4 above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in the terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
